

Turkey

I would like to tell you about the best week in my life. About 4 weeks ago me, five of my schoolmates and two teachers went on a trip to Turkey.

To Istanbul we travelled by plane. We crossed the sea of Marmora by ferry and arrived in Asia. Finally, we went to Çan by bus. It was the town where we stayed. Each student had a host family.

On Monday we went to the Çan İbrahim Bodur Anadolu Lisesi (a secondary school) where we had a lot of presentations. We spent the evening in a Turkish Cafe.

On Tuesday after school we visited the mayor at the municipality and a beautiful mosque, and after that everybody had some free time. In the evening we went to the Henna Night and enjoyed the traditional Turkish music and folk dance. After that we watched the Turkish - Hungarian football match on TV.

On Wednesday we saw a lot of ancient buildings, for example Troy, Assos and Canakkale. In the evening we had some free time.

On Thursday we went to the tile factory in Çan. It was the Çanakkale Seramik Factory. In the evening there was a farewell dinner party at the factory restaurant where the Turkish students sang and we ate a lot of homemade local food prepared by teachers and the Turkish students' mothers.

On Friday morning we left for Istanbul. In the evening we, Hungarian students and the teachers stayed in a hotel.

We spent the Saturday morning in Istanbul where we saw a lot of wonderful buildings, for example the Blue Mosque and the Hagia Sophia. We left Istanbul on Saturday afternoon by plane. We arrived home, in Hódmezővásárhely after 10 p.m.

In Turkey we met a lot of great Turkish, Italian, Czech and Romanian people. They were very friendly, funny, extrovert, nice, lovely, helpful and honest. The Turkish dishes were very delicious and fine.

It was the best experience in my life and I want to go back once in my life...
