

## Czech Republic

*In this week I felt very good. I had my first flight and I really enjoyed it.*

*Day 1: We went to Prague, I saw many beautiful places, and my favourite was the Charles Bridge and I liked the statues on the bridge. In the evening we went walking and the city was very nice when it was lit up.*

*Day 2: We travelled a long time by train and meanwhile I saw a lot of beautiful landscapes. I enjoyed meeting with Maria and her family the most. Maria's family was very kind. Her mother was very funny when she spoke English and German too. In the evening we went to a party. I met a very kind and friendly girl, her name was Darina.*

*Day 3: Maria was very kind, because she made delicious breakfast. I liked the first day at school, I met a lot of other very friendly people.*

*Day 4: We learned new dances, I really enjoyed it. We went to Poland. It was fun. In the evening we went bowling with Maria and her friend and we celebrated Eric's birthday.*

*Day 5: I really liked the trip to Ostrava. I liked the coalmine where we went down to 622m. We went shopping, too.*

*Day 6: It was the last day and the farewell party was very good, I had a good time. I got a scarf from Maria. Earlier I saw this scarf at the plaza. I got a necklace from Maria's grandmother.*

*Day 7: Finally everybody said goodbye to Maria and other people. We had a long trip to Prague by train and then we went by plane to Budapest. When I got home, my mom and my brother were waiting for me.*
